

FACT SHEET

The City of Palmdale and Los Angeles County are ready to begin a project to reconstruct 3.2 miles of Pearblossom Highway from Old Nadeau Road to 55th Street East. Over 34,000 vehicles travel this roadway daily, including many heavy trucks, which put tremendous stress on the pavement. Over time this stress and other factors have deteriorated the road, leading to cracks, potholes, and poor ride quality. The Pearblossom Highway Rebuild Project will provide a new, smooth driving surface on this crucial roadway and additional improvements. Project features include:

- Removal of the existing pavement and construction of a new, long-lasting road, within existing pavement limits, designed to support the daily traffic.
- Intersection improvements, such as new signal equipment, new pedestrian/equestrian push-button systems, new or upgraded ADA-compliant curb ramps, and new ladder-style crosswalks.
- Changes to current traffic patterns that will enhance safety and traffic flow at 25th St East/ Barrel Springs Rd and 30th St East.
- Installation of a 2,100-foot median barrier between 25th St East / Barrel Springs Rd and 30th St East to help prevent head-on traffic collisions.

Construction will be done in 3 segments. Segment 1 is currently underway.

Segment 1

From the CA Aqueduct bridge at Old Nadeau Rd to 33rd Street East.

- New pavement from Old Nadeau Rd to 33rd St East
- Improvements at 25th St East / Barrels Springs Rd, 30th St East, and 33rd St East intersections
- 2,100-foot median barrier

Current Segment

Ongoing - March 2021

Segment 2

From 33rd Street East to 45th Street East.

- New Pavement from 33rd St East to 45th St East
- Improvements at 37th St East, 40th St East, and Rodeo St intersections.

COMPLETE

Segment 3

From 45th Street East to 55th Street East.

- New pavement from 45th St East to 55th St East
- Improvements at 47th St East intersection
- Split City/County jurisdiction

COMPLETE

Cost and Funding

Construction Cost:
\$13.5 M

Funding Partners/Sources:

- County of Los Angeles
- Measure M
- Measure R
- Gas Tax
- RMRA (SB-1)

Work Hours

Monday - Friday from 7 a.m. - 5 p.m

- Overnight and weekend work may be required. Dates and times will be provided.
- Expect long-term full closures with detours and intermittent lane closures.
- Access for local residents and businesses will be maintained.

Be ready and Be Informed!!
